It's a New Year! As the people around you make resolutions, share the opportunity for others to commit to community, friendship, and service by getting involved with Rotary. Think of the people in your life who would bring value and energy into our club—colleagues and friends who would benefit from all Rotary has to offer. Invite them to join us for a club meeting, a service project, or a social event. When you invite a guest to a meeting, service project, or social event, you are helping our club increase our impact. And you will help us earn points in the District's Attraction & Engagement Challenge, with a chance at the first place prize of \$1,000. Each One, Bring One....where the real winners are the communities we serve!

Our club is committed to growing Rotary because it expands our capacity to do good in the world. Our community depends on us and now our club is depending on you. We are asking every member to intentionally extend an invitation to someone in your life to join us for a club meeting, a service project, or a social event. District 6710 believes in this initiative so much that they've even created an Attraction & Engagement Challenge, with a chance at the first place prize of \$1,000. Each One, Bring One....where the real winners are the communities we serve!

Think about your favorite service project. Now, imagine how it would be if we had double the number of people helping to make it a success. Think of how many more people would be served. How much more of a difference we might make. When we grow Rotary, we grow our capacity to serve our community. You can help by introducing Rotary to your friends, family, and colleagues. Get in on the fun by joining Rotary District 6710's effort to "Each One, Bring One," When you invite a guest to a meeting, service project, or social event, you are helping our club increase our impact. And you will help us earn points in the District's Attraction & Engagement Challenge, with a chance at the first place prize of \$1,000.
